Course Outline

SITXFSA101 Use hygienic practices for food safety (also known as Food Handlers)

The course will inform students how to prevent, alleviate and recognise hazards associated with handling food, both incoming and outgoing from your premises.

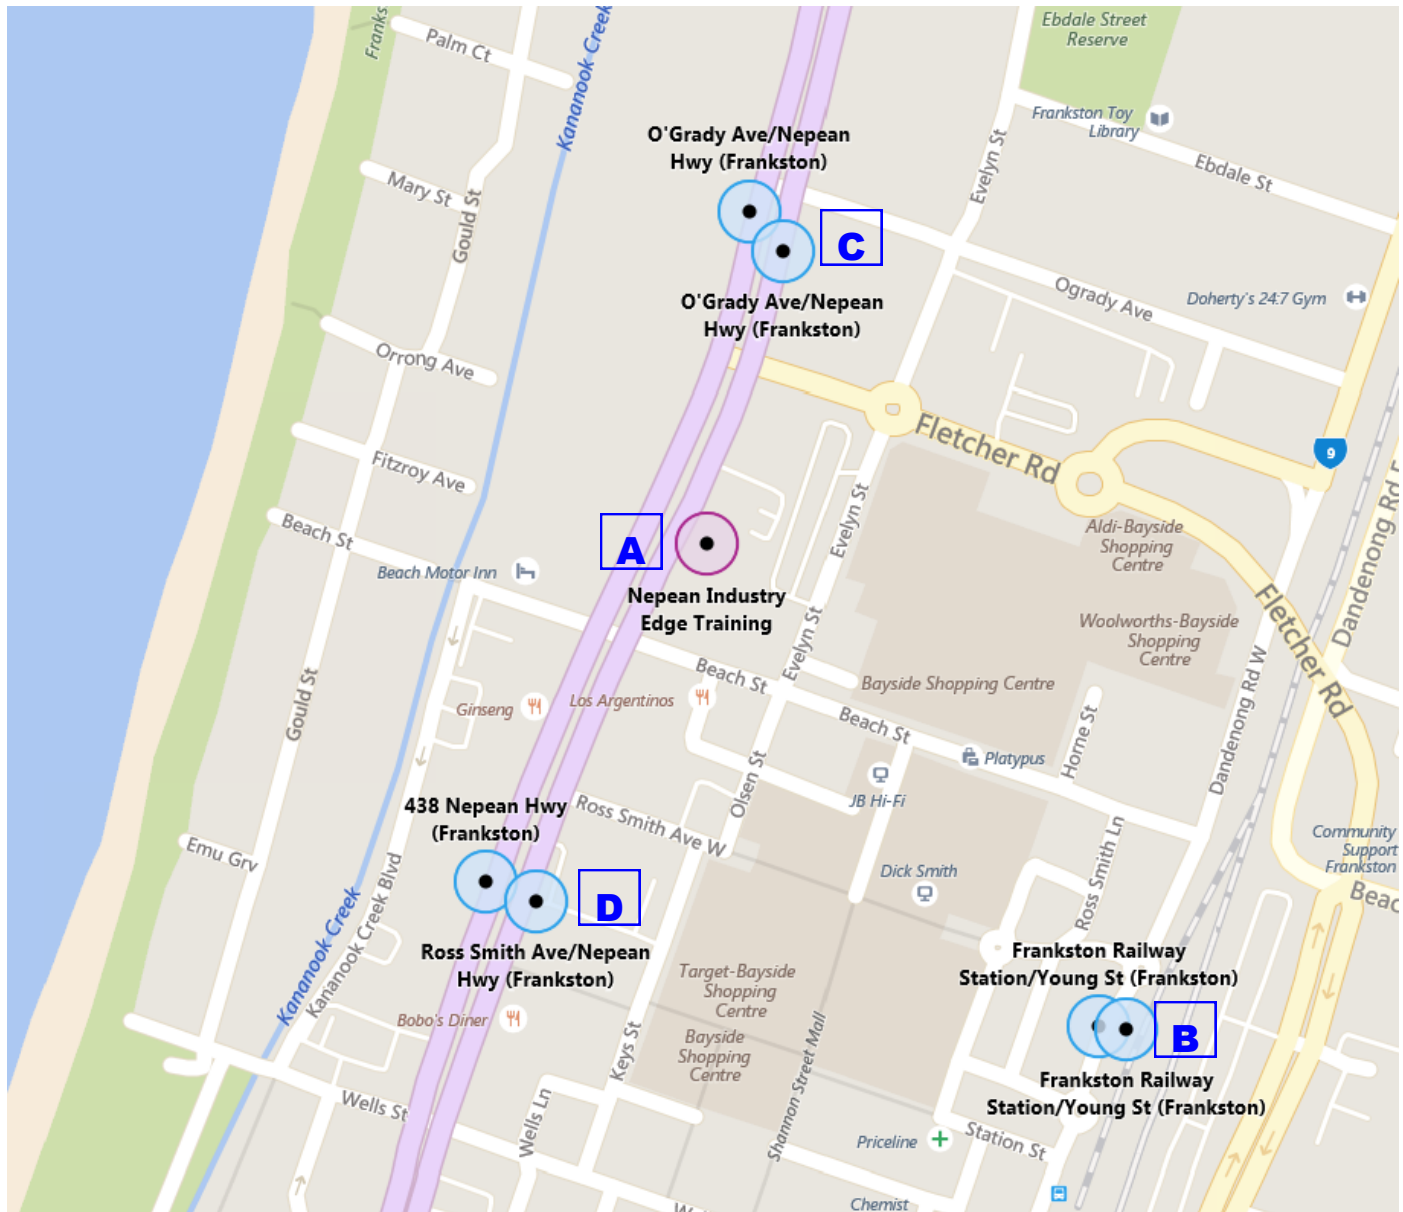

The course will also teach students how to develop good hygiene practices by managing cleaning, pest control, waste disposal and chemical storage.

Nepean Industry Edge Training or NIET Training are a registered training organisation based in Frankston and the Mornington Peninsula.

Nepean Industry Edge Training (NIET) is located 405 Nepean Highway, Frankston (**marked A on the map**).

Parking: There is no parking available on site. Parking is available in Bayside Shopping Centre—enter the undercover multi-deck car park via either, Fletcher Rd, Beach Street, or Evelyn Street (ticket cost approx. \$4-8). Parking also available along Nepean Hwy.

Public transport:

- From Frankston railway station (**marked B on map**)- 10-15 minute walk.
- Bus route:
 - 779 or 780: Stop- O'grady Ave (**marked C on map**) or Ross Smith Avenue (**marked D on map**)- 3-5 minute walk.
